

# Memorial Day Solo **DETROIT** SCCA

**May 31, 2010 @ Belle Isle, Detroit, MI**

**Solo** or “**Autocross**” events are driving skill contests that challenge the driver’s ability and the car’s handling characteristics by driving through a timed course marked by traffic cones in a low-hazard location such as a parking lot or inactive runway. So even if you have never heard the word “autocross” before, you can participate too. So everyone should plan to attend for some **GREAT** fun!

DRSCCA will be supporting Honor Flight Michigan & Our Michigan World War II Heroes! Donations will be accepted at the event or feel free to visit [honorflightmichigan.com](http://honorflightmichigan.com) to make a donation.
