

CAUTION!

Cone Free Competition

graphic created from original photo by chrisamosphotography.com

Competitors are invited to avoid all the cones during each event this season!

Those skillful enough to have a clean day will be awarded a Cone Free sticker to apply to their vehicle. The competitor with the most stickers at the end of the season will be awarded a mystery prize!

For each event entered, all runs must be completed.

The Cone Free Competition is open to all entrants of Detroit Region SCCA Rallycross events throughout 2008.
